Dear Anne Marie,

This letter is in response to your letter of May 4, 2004, referencing the April Quarterly Report (1/01/04 - 03/31/04) for the Committee To Re-Elect Trent Franks To Congress (C000367110).

Please find ammended report filed on June 3, 2004, correcting the errors outlined in your letter.

In regard to the excessive contributions, the committee redesignated by presumption the excessive portion of the contributions for the General election cycle. The contributors were notified by letter of our presumption to redesignate the funds. In the letter it states that if they (the contributor) disagree with the committee, they may request a refund of their contribution. This letter was sent out within the 60 day period of the receipt of the contribution.

In regard to the missing information of the contributors, the following letter is sent out:

Dear _____,

We are sincerley grateful for your contribution to the Committee To Re-Elect Trent Franks To Congress.

Federal regulation requires us to obtain certain information on all individuals contributing more than \$200.00 to a federal congressional campaign committee. The required information is as follows:

Full Name
Mailing Address
Occupation
Name of Employer

We do not have that information on record relating to your contribution. We respectfully request that information be recorded in the enclosed form and returned in the postage paid envelope.

This is specifically not a solicitation for any additional campaign contribution, but rather a legally required effort on our part to obtain the contributor information required by the Federal Elections Commission. Thank you for your kind response.

Sincerely,

Lisa Teschler
Treasurer

If a response is not received we follow up with a phone call.

Anne Marie, if you should have any questions or need additional clarification of the issues above, please do not hesitate to contact me.

Thank you,

Lisa Teschler
